EDUCATION

Texas A&M University, College Station, TX May 2021
B.S. in Industrial and Systems Engineering
Major GPA: 3.4 ; Overall GPA: 3.2

Southern Careers Institute, Houston, TX May 2022
Cybersecurity Program with Security+ Certification Training

- Developed a familiarity of conducting threat research through the NVD and CVE sites.
- Proficient with Python, Kotlin, HTML, CSS, JavaScript, C, and VBA.
- Experienced in the fundamentals of firewalls, proxies, SIEM, antiviruses, and IDS concepts

IBM Cybersecurity Pre-apprenticeship Certificate

- Completed a 70-hour IBM Pre-apprenticeship program consisting of new-collar professional skills, cybersecurity fundamentals, Agile intro, and enterprise design thinking.

EXPERIENCE

H-E-B, Houston, TX June 2021 – Feb 2022
Front Line Associate

- Promoted within 3 months of hire due to great customer service and performance.
- Reduced the cashier training time required by taking initiative and memorizing over 80 PLU (Price Look Up) codes in the span of 3 days.
- Maximized efficiency by maintaining a weekly IPM (Items per Minute) rate of 37 which is over 20% higher the 30 IPM standard.

Memorial Hermann, Memorial City, TX Jun 2021 – Aug 2021
Hospital Operations Intern

- Completed 2 assigned projects successfully in 10 weeks: improving the consumer experience at MH imaging centers and developing a plan for MH innovation center implementation.
- Conducted research by visiting 8 different imaging centers through the eyes of a consumer and understanding what procedures before, during, or after an appointment cause inconveniences.
- Connected and collaborated with executives within Memorial Hermann, TMC, and Mayo Clinic health systems to ascertain current operations in both imaging and innovation centers.

LEADERSHIP

Regent's Scholars Organization Aug 2019 – May 2021
Service Coordinator

- Coordinated with at least 8 organizations in the College Station area to provide community service opportunities for over 100 RSO members during the 2020-2021 school year.
- Developed an inviting environment by hosting online and in-person events for the organization.
